- Durable, valuable and multi-functional
- Simple, safe and natural way to good health

## What does “SOQI” mean?

“SOQI” is the abbreviation of “Solar” and “Qi”. “SO” represents solar energy, without the sun, or solar energy, no life form can exist on Earth. “Qi” is the international writing for “Chi” and represents our internal chi energy.

Combining solar with chi energy, SOQI creates a natural environment for your body to regenerate and relax. The SOQI spa is a natural way to relax. Bathing your body in SOQI’s unique energy formula, you will come to use and rely upon your SOQI bed everyday to boost your new SOQI glow.

The SOQI Chi Spa is the perfect combination of Eastern traditional medicine and Western health technology. SOQI Chi Spa consists of traditional Chi Kong, Chiropractic, Massage Therapy, Physical Therapy and Spa, all of which are completely natural. Along with our engineering-leveled technology and health-caring equipment, we are able to offer multi-energy “Total Health Management”. SOQI Chi Spa believes that we can “manage” health we well as manage business, as long as we manage it with our heart, it can be eternal.

The soothing feeling of “chi” generated by SOQI, is created using ancient Chinese treatments with modern technology. Our leading technology and product lines have set the standards for the Health and Wellness industry and fascinating results are delivered for every user’s health.

SOQI energy can circulate in our physical body, neutralize Yin and Yang, helps blood circulation, and leads to a peaceful mind for its users. Energizing Power is also beneficial to one’s physical appearance - our users typically find themselves more energized and engaged to work at the job, play with their children and interact with their spouse. They have a feeling and air of confidence, are filled with hope and satisfaction. They truly enjoy a “beautiful life”.

## SOQI Bed a Multi-Energy Spa Experience

### [Chi Machine - Motion Energy](#)

Represented by the award winning Chi Machine, which is associated with international patent designs. It allows your body to be harmonized in the figure “8” motion. You will experience

instantaneous relaxation due to the return of your spinal curve. The Chi Machine also improves the flow of circulation and oxygen absorption stimulating your energy levels throughout the day.

Additional benefits of the Chi Machine:

- It oxygenates every cell in your body.
- The most effective lymph drainage method in the world.
- It enables detoxification at the cellular level.
- It stimulates optimal blood flow circulation.
- It aligns, balances and strengthens your spine.
- It enables you to sleep soundly.
- It clears depression, stress and lack of focus.

### **FIR HotHouse - Thermal Energy**

Represented by the HotHouse, a patent technology that allows Far Infrared Rays to penetrate deep into your body enhancing your local circulation and releasing toxins from the cells. It also generates cellular activity, and decreases muscle spasms and soreness. Relax yourself under the soothing heat while detoxifying your entire body.

Additional benefits derived from the FIR HotHouse:
